Simplified Remote Controller

Simple operation

Using only six buttons, users have direct access to basic functions. This enables them to easily set comfort to their preference.

NEW BRC2E61

- Actual size / 85 x 85 mm -

Intuitive design

By using pictograms, the user-friendly interface enables:

Overseas guests at hotels to understand functions without having to know a foreign language.

Children and elderly users at home to operate without having to read difficult and hard-to-see commands.

Compact

Measuring only 85 x 85 mm, the new remote controller is extremely compact and complements any interior design.
